VERSES

Let the peo-ple be heard the pow-er the words we'll act on our be-liefs With
We won't be de-nied or be pushed a-side by ha-tred greed or lies Where
Cour-age we'll show a hope that will flow from what we say and do to
To pro-TECT who we are both near and a-far we'll have our spi-rit grow For

good-ness in hand through-out this great land we'll be de-mo-cra-cy
