

Who We Are

2025

Who are we? We, who stand
so resolute, so strong?
Who push back on the meanness,
the ugly, hurtful wrongs?

Who are we whom life looks to
with hopeful, desperate eyes?
Who knows its fairness rests upon
our unity, our lives?

We're *Power* when we act as one,
we're hope -- our light, it shines.
We are the ones who will step up,
with wisdom, heart-- the sign--

....of Martin's call for **Courage**,
Compassion for the need--
Of joy in being his 'three C's,'
the **Creativity**.

Together, we are clear --"We Rise!"
Where '*most* will lift the least,'
We'll grow; we'll show these grass roots --bold
And act--
oh yes, we'll act--
on our firm-held beliefs!
